It has been great meeting the kiwi families this summer . We got a lot of toys from the “ op “ shops which were a big hit with younger children . We kept running out of chalk , there were some great drawings on the tar seal . It was good to see a large number of children playing outdoor games . Everyone got on well , it was a pleasant time .

BOOMING EKETAHUNA

The camping ground is often the first stop for people looking for property in Eketahuna . They visit and look around Eketahuna . We have two men staying in the camp who have brought sections . One in High Street and one near the golf course . They are working to get the sections in shape and put houses on them .
