- 14.2.1 Cr Alison Franklin (Council's appointed representative on the Tararua Health and Wellbeing Governance Group) is requested to provide an update regarding matters discussed at their meetings through the Mayor and Councillors report circulated for the information of Community Boards and Community Committees.

### **14.3 Changed Criteria for X-Ray and Radiology Services at Dannevirke Community Hospital**

- 14.3.1 Concern and disappointment is expressed at the impact of changed criteria for x-ray and radiology services at Dannevirke Community Hospital.
- 14.3.2 Tararua Health Group had no input into this decision, and the Primary Health Organisation changed the eligibility criteria from all who could not self-fund (a lot of patients) to those who hold a Community Services Card and are Maori or Pacifica.
- 14.3.3 Since these changes were implemented use of the radiology department at Dannevirke Community Hospital has significantly reduced, and may potentially be lost as a consequence. This is an extremely concerning and disappointing situation given the excellent service they offer with all brand-new machinery and skilled staff.

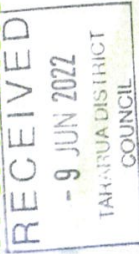

- 14.3.4 There is a waiting list at Palmerston North Hospital in contrast to the almost instant x-ray and results doctors have been able to obtain when people are treated at Dannevirke Community Hospital.
- 14.3.5 This is certainly not a move Tararua Health Group wanted to see as they are staunch advocates for being able to provide services close to home for its community, and they will fight to restore funding to reinstate the service.
- 14.3.6 Mayor Tracey Collis and Wairarapa Member of Parliament Kieran McAnulty have taken on the issue to lobby hard for MidCentral Health to return the availability of this service back to the community.
- 14.4 **Earthquake-prone Buildings**
- 14.4.1 Letters have been sent to owners of priority earthquake-prone buildings. Staff are now in the process of identifying all other earthquake-prone buildings in the district with non-priority buildings being identified by 1 July.
- 14.5 **Dannevirke Gallery of History**
- 14.5.1 It is extremely pleasing to note investigations and work undertaken by police resulted in the return of the female huia stolen in July 2020 from Dannevirke Gallery of History.

There being no further business the Deputy Chairperson thanked those present for their attendance and contributions, and declared the meeting closed at 1.45pm.
